## Countering Disinformation and Building Trust in the Digital Age

# FAKE

APB Tutzing, March 11-13, 2019

The proliferation of disinformation via digital media presents a great threat to liberal democracies worldwide, robbing citizens of their right to make informed choices. TechCamp© Tutzing will explore ways to spot and counter all forms of online propaganda. In an interactive environment, trainers from top-notch investigative media institutions all over the world will co-create solutions with participants. Attendees will leave the workshop equipped with the necessary skills and strategies to detect and effectively counter scams.

**Are you a journalist, journalist-in-training, blogger, activist, teacher, teacher-in-training, researcher, educator or government official having to deal with digital misinformation?**

Apply now for this three-day, all-expenses paid workshop (in English) at APB Tutzing using this [link](#).

 **TechCamp** is a Public Diplomacy initiative hosted in the Bureau of International Information Programs (IIP) at the U.S. Department of State.
